

LC-015B

Lock Controller

BLC015

Features

Compatible with Access Controllers

Backup Battery

Network Error Detection

Specification

Power	DC 12V	Status Indicator	3-Color LED
Power Consumption	80 ± 15mA	Sensor Input	3 port
Relay Output	1 port	Applicable Locks	DC 12V, Max current 1A
Battery Life	48hrs to fully charge, Lasts up to 2hrs during a power outage	Dimension	260 x 200 x 60 mm
